

Appian Named a "Customers' Choice" Again in 2022 Gartner® Peer Insights™ Voice of the Customer: Enterprise Low-Code Application Platforms

April 11, 2022

Appian takes customers from process discovery to workflow design and automation, delivering a total experience in one unified platform

MCLEAN, Va., April 11, 2022 /PRNewswire/ -- Appian (NASDAQ: APPN) today announced that it has been recognized again as a 2022 Gartner Peer Insights Customers' Choice for [Enterprise Low-Code Application Platforms](#) (LCAP). Appian is one of only four vendors to receive the "Customers' Choice" distinction, and the only vendor to receive the distinction across the four categories for Large Enterprise (\$1-10B), Midsize Enterprise (\$50M-\$1B), North America, and Europe, the Middle East and Africa.

Appian is the only Customers' Choice across Large Enterprise, Midsize Enterprise, North America, and EMEA categories.

Gartner Peer Insights is a free peer review and ratings platform designed for enterprise software and services decision makers. Reviews go through a strict validation and moderation process in an effort to ensure they are authentic.

According to Gartner®, "To qualify for the Customers' Choice distinction, vendors must have a product that is listed in this market on Gartner Peer Insights, have their overall rating (out of 5 stars) above or equal to the mean rating for that market, and receive 50 or more eligible published customer reviews during the one-year submission period."

As of December 31, 2021, Appian had the highest number of reviews within Gartner Peer Insights for the LCAP market: 141 reviews with an Overall rating of 4.6 out of 5.
