

Appian Announces 2018 International Partner Award Winners

October 9, 2018

RESTON, Va., Oct. 09, 2018 (GLOBE NEWSWIRE) -- [Appian](#) (NASDAQ: APPN) today announced its International Partner Award Winners to recognize Appian's top strategic partners in Europe, Middle East and Africa (EMEA). The award winners have all made significant impact in helping organizations create and implement transformative digital programs using Appian's enterprise low-code platform.

As part of Appian's vibrant global partner ecosystem, these partners deliver world-class solutions and services across industries. Award winners were recognized at the [AppianEUROPE Conference](#) on October 8th to 9th, 2018, in London, United Kingdom.

"These award winners are significant Appian partners in EMEA and other markets with a history of implementation and client success," said Erik de Haas, director of partners EMEA and APAC at Appian. "For each of these strategic partners deserves to have their dedication and excellence in service delivery recognized."

Appian's 2018 International Partner Award Winners are:

- **10 Years of Outstanding Service - [Procensol](#)**
Founded in 2008 in the United Kingdom, Procensol is a partner to major enterprise clients worldwide as a leader and specialist in building process-centric solutions on Appian's platform.
- **Fastest Growing European Partner: [VASS](#)**
As an IT consulting firm founded in Spain, 1999, VASS formed a strategic alliance with Appian in 2008. The company has built a dedicated Appian practice and quadrupled it to more than 100 consultants in one year across multiple countries in Europe and Latin America.
- **Top Emerging Market Partner: [Vuram](#)**
Since 2010, Vuram has been specializing 100% on Appian and focusing on successful implementations for customers with offshore consulting services, offering top value for low cost with a global footprint.

In addition to these new awards winners, KPMG won Global Partner of the Year and PwC won the European Partner of the Year awards earlier this year at the Appian World conference in Miami, Florida. Read the full list of award winners [here](#).

"Appian has seen significant growth in geographies around the world in the last few years. Our partners are an integral part of the Appian community in meeting customer needs and delivering high-quality solutions at scale," said Marc Wilson, senior vice president of global partnerships & industries, Appian. "We are delighted to share our growth and success together with these strategic partners."
