

Appian Named a Leader in Gartner's 2019 Magic Quadrant for Intelligent Business Process Management Suites for Ninth Consecutive Time

February 1, 2019

RESTON, Va., Feb. 01, 2019 (GLOBE NEWSWIRE) -- Appian (NASDAQ: [APPN](#)) today announced it has been named a Leader by Gartner in its [2019 Magic Quadrant for Intelligent Business Process Management Suites \(iBPMS\)](#). This marks the ninth time in a row that Appian has been named a Leader by Gartner in this market. The report evaluates vendors in the iBPMS market and their product offerings.

The report defines iBPMS as “a type of high-productivity (low-code/no-code) application development platform...Intelligent business process management suites use actionable, real-time insights from operations intelligence to increase the agility and scalability of business operations.”

“Appian takes pride in our continued focus on innovation and customer success. New offerings like our [Intelligent Contact Center](#) showcase our low-code features and enable our customers to drive digital transformation and intelligent process automation across their organizations,” said Malcolm Ross, Vice President of Product Marketing, Appian. “This is all embodied by the [Appian Guarantee](#), which is our commitment to deliver powerful business impact quickly at a fixed cost.”
